Meeting called to order at 7:08p.m.

Grant welcomed everyone. It has finally snowed!

### Approval of Minutes from Dec (issued by e-mail)

Motion to approve minutes by Cori, seconded Ken L.

### Business Arising from Minutes

- Arctic/ Alberta Winter Games Update – Blaine, Grant. Two races were held at Rocky Lane. There was a morning mass start 3km. skate and an afternoon individual 3km. classic. Everyone from GrPr who wanted to qualify for the Alberta Winter Games was successful.

- **Alberta Games:** Tess Forbes, Tamsin Forbes, Chelsea Forbes, Rachel Burkinshaw, Davis Alton, Luke Bertozzi. **Arctic Winter Games:** Davis Alton, Ross Scharbach.

We have a good number of skiers in the midget categories. The skiers were very well taken care of in Rocky Lane. The races for Biathlon were held in Canmore and there was some controversy. They were not sure how many skiers they could take to the Arctics.

- Grooming Coordination – Grant. There are people who want to help groom but don't have keys. If you are coming out please make sure you let others know so you can get help! The weekends seem to be fairly well covered, and there are people out during the week. Another concern expressed was the order that the trails are groomed. The north trails take longer, but should be done all at once. Please make sure to phone or email the groomers when you go out!

### New Business

- Loppet – Canceling or postponing the Loppet was discussed due to the poor snow conditions. **Blaine made a motion that the Loppet move to Sunday, February 12<sup>th</sup> and that the 6pac move to Sunday, January 29<sup>th</sup> due to conditions. Seconded Cori. Carried.** Registration will be the morning of February 12<sup>th</sup>. Cori will coordinate registration,
- Lodge Opening and Closing - Blaine has the lights set to come on automatically now. We can start opening the lodge now.

Grant thanked everyone for all the help getting ready for the race. He received a lot of positive response from across Alberta and sympathies and thanks for trying to hold the race. Thanks to Grant for helping organize and getting so many

things ready.

### **Director's Reports**

- Treasurer – Blaine. The two GIC's are in a cashable state. We still need to refund money for athlete's who had paid for the race on Zone 4.
- Facility Maintenance – Ken P. Ken will check the propane.
- Jackrabbits – Cori. More registrations for Jackrabbits keep coming in. If you have any items to donate to the fanny pack "wipe out" award please give them to Cori. Ken has the next litter of bunnies ready to go out on the trails!
- Marketing – Ken L. Blaine has sent pictures of the race to Ken. Ken will try to get an article in the paper.

Meeting adjourned at 8:00 so people could go out and groom!
